Dear Parent/Carer

### **Study Leave**

We are now approaching the time of year when many pupils will be sitting SQA examinations. Your son or daughter will be sitting between four and seven National 5 exams and therefore will be on exam leave between 30 April and 4 June inclusive. However your child should return to school the day following their last exam to begin their new timetable.

During this time the campus is available for your child to use as a base for study throughout the study leave period.

May I take this opportunity to thank you for your support and wish your child every success in the forthcoming National examinations.

Yours faithfully

**Mr D Macluskey**
