

Guidance for entry:

Guidance on Applying for '100 Disrupters' Grants

Thanks for thinking about applying for our '100 Disrupter' grant programme.

We are looking forward to hearing about your ambition, your aims and objectives and what you think you can achieve with a £1000 grant. You can apply on your own or in a group; it is entirely up to you. There are no rules, but of course what you plan to do has to be legal!

Your application can be submitted as either one page of writing or a 60 second video, whichever you prefer.

Please confirm in your application your contact details, gender and age (if you are under the age of 16 you need to have parent or carer approval to enter).

If you are awarded a grant we will at that time let you know about the conditions – the main ones being that you apply the funds to the 'disrupter' activity you described and that we can publicise your exceptional activity once you've concluded it.

Please apply; we look forward to hearing from you!
