

School Sport Coaching Project Easter 2019

The School Sport Coaching Project, supported by the Gannochy Trust, offers Perth and Kinross Council School Pupils the opportunity to undertake introductory sports coaching/leadership/officiating qualifications. This is a great way for young people to develop communication and leadership skills, build confidence, gain recognised qualifications and get experience in sports coaching/leadership/officiating. Following a course, pupils are required to undertake 20 hours of volunteering in a school or community club setting.
