Dear Parent/Carer

### **S4 Study Leave, no exams**

We are now approaching the time of year when many pupils will be sitting SQA examinations. As part of the Curriculum for Excellence many pupils including your child will not be sitting formal examinations. This means that while formal study leave will be appropriate for some S4 pupils, it will not be so for your son or daughter.

We would therefore expect your child to attend school during the study leave period. During this time we will expect them to attend classes in preparation for the courses they have chosen for S5. We have also developed an outdoor learning week for your child to learn more about the environment and gain a John Muir Award.

We ask for your co-operation in ensuring that your child attends school during this period.

Yours sincerely

A handwritten signature in blue ink, appearing to read "D. Macluskey".
