Dear Parent/Carer

Study Leave

We are now approaching the time of year when many pupils will be sitting SQA examinations. Your son or daughter will be on exam leave between 24 April and 28 May inclusive. However your child should return to school the day following their last exam to begin their new timetable if they are staying on at school.

During this time the campus is available for your child to use as a base for study throughout the study leave period.

May I take this opportunity to thank you for your support and wish your child every success in the forthcoming National examinations.

Yours sincerely
