Dear Parent/Carer

Supported Study

Feedback from our pupil survey in the last few days of last term informed us that the key concern of young people returning to school was catching up on work and consolidating learning attempted over lockdown.

In a bid to mitigate these concerns and support our students as best we can, we have created an initial programme of supported study sessions week beginning **7th September** and **28th September**. Teachers will have sign-up sheets available in their classrooms so I would encourage you to ensure your young person signs up as soon as possible as many sessions will fill up very quickly. The full timetable of sessions is attached and will also be available on the school website.

In addition to these face to face sessions, E-sgoil, are running weekly 45 minute live supported study webinar lessons for a range of National 5 and Higher courses. Places are limited and will be allocated on a first come, first served basis. All sessions take place via Microsoft Teams within Glow. Full details of sessions and times as well as the link to register is here: www.e-sgoil.com/studysupport2020

If you have any questions, please do not hesitate to get in touch.

Yours faithfully

A handwritten signature in black ink, appearing to read 'K Telford'.

Mrs K Telford
Acting Depute Headteacher – School Improvement
