

# Crieff High School

S2 Home Learning  
Week 1: 11 January – 15 January 2021

## English, Literacy & Drama

**English** - S2 will be studying a Ray Bradbury short story and focussing on short story technique.

**Drama** – S2 will be learning about devising an Issue-based drama. The issue their work will be covering is antibullying. Pupils will be able to research their theme/issue.

## Social Subjects

**Geography** – Starting to look at India as part of the World Tour – pupils will complete a fact file about India and the monsoon using information from video clips and the internet – all tasks will be posted on Teams.

**Modern Studies** - Modern Studies – All classes are learning about poverty in the UK. They have to follow power points which have tasks included and play the video clips within these. – Miss Fitzsimons class are on Google classroom, Mrs Gilfoyle's class are on Teams.

**History** – Introduction to new topic - the Industrial Revolution– pupils will complete 3 main activities and watch a few short video clips - all tasks will be posted on Teams.

## RME/Citizenship

Rastafarianism

Pupils should attend TEAMS meeting during their RME period this week for this lesson. Materials will be posted on google classroom for pupils to access.

Mr Young or Mrs Petrie will be available on TEAMS during Citizenship period for additional support.

## Modern Languages

All S2 pupils working at **Level 2/3** will be working in their Teams group on describing people and monsters and revising colour, numbers and body parts. Pupils will follow an online presentation of 10 minutes maximum followed by activities to complete and return to their teacher on Teams.

All S2 pupils working at Level 3/4 will be working in their Teams group on finalising and learning their role-play 'At the Doctor's'. Pupils will follow a short presentation of 10 or 15 minutes online followed by activities to complete and return to their teacher on Teams.

## PSE

Pupils will be developing their skills in reflective practices and goal planning. Pupils should join their teacher presentation at the start of the lesson. Pupils should then complete their task on Teams as directed by their teacher. There will be a recap at the end of the lesson by the teacher.

## Music

Pupils should log in to Glow and check Teams for further instructions.

# Crieff High School

S2 Home Learning  
Week 1: 11 January – 15 January 2021

## Science

**Biology** - Develop investigative skills and an understanding of the scientific method by designing and completing a Biology investigation from the choices given at home. Work will be assigned through Teams. Pupils will be provided with a word document containing links to sources to help them and with tasks on it. Pupils digital workbooks are shared with staff so they can review these. At the end of all of the tasks pupils will complete a forms task.

**Chemistry** - Start working on a project on Global Warming and Climate Change which will link recently completed Fuels topic with new Carbohydrates Topic. Teams with Satchel one backup. Pupils will be provided with a PowerPoint which will contain instructions on how to complete the task. There will be a list of questions to guide them through the project and useful links to support learning. A marking rubric will be included so that pupils know what they are aiming for. Pupils will complete a word doc or PowerPoint presentation of their work through Teams or Satchel one which will be marked by teacher using the marking rubric given out at the start of the project.

**Physics** - Develop investigative skills and an understanding of the scientific method by designing and completing a Pendulum investigation at home. Teams with SatchelOne backup. Pupils will be provided with a PowerPoint which will contain instructions on how to complete the task as well as useful links to support learning and a word document writing frame. Pupils will submit their work in Teams /Satchel One/email to receive feedback. Online teacher input.

## Computing Science and Enterprise

**Computing** - Pupils will begin working on Cyber Security. Details are on Google Classroom, and support is available in timetabled meetings in Microsoft Teams.

**Enterprise** - Pupils will begin working on a PowerPoint unit and will find an instructional video and task in Google Classroom under PowerPoint Presentation tab.

## Design

**Art & Design** - S2 will be creating a Factfile on design company; 'Timorous Beasties'. Further information will be available on Teams. The Factfile can be in the format of a PowerPoint, poster or video presentation. All completed work should be uploaded to Teams either as a file or a photo.

**CDT** - S2, Video demonstration of task, with paper and pencil required. Work set as an assignment and uploaded onto class notebook (page provided in the assignment) Topic: Isometric sketching (recap) and rendering exercises to show material and shading..

## Maths

Mr Mayne - Speed Distance Time. Textbook attached to MSTeams Maths in Actions S3-3. Work set. Also lesson and homework on MyMaths. Everything in Teams and note on Satchel.

Mrs Adam – Integers. Pupils to watch video then complete the associated worksheets. Also homework sheet to return to me. Work available on Satchel one.

Mrs Sorley- Speed Distance Time. Watch the video and complete the textbook exercises. Complete and submit the homework exercise. Work available on SatchelOne (SMHW)..

Mrs Knak - Speed Distance Time. Watch the videos and complete the textbook exercises and one activity on MyMaths. Also complete Homework 11. Work available on SatchelOne and Teams.

Mrs Adam - Whole numbers adding – worksheet of non-calculator problems. Symmetry from MyMaths. Work on Satchel One.
