Week 9: 08 March to 12 March 2021

English, Literacy & Drama

English - S1 will finish work on the short film "The Birds," and will then continue to explore media techniques in the film "La Luna."

Support will be provided through Live Lessons on Microsoft Teams each period.

Drama – Pupils will evaluate the Macbeth unit. They should write self-evaluation of the whole devising process. They should try to use as many drama terms as possible and pupils are encouraged to revise their drama vocabulary.

Live Meets and resources will be on the Teams Site

Social Subjects

Geography – Pupils will discover the impact a hurricane can have on the people and the environment of a country by carrying out some independent research following a live meeting.

Modern Studies - Classes should complete the task to create an end of unit presentation on what they have learned during the Crime and Law topic. They should participate in a short live lesson then work towards completing this task using supported materials.

History - Why the Vikings came to Scotland, their impact on Scotland and Viking society. Live lesson and work on Teams. Miss Fitzsimon's class – learning about Viking society and completing tasks on a worksheet on google classrooms.

Modern Languages

All S1 pupils will continue to learn how to talk and write about a pet or an animal in French – next week we will make new sentences to describe your pets' personalities. There will be an online Live Meet to explain the tasks and give feedback, followed by links to Quizlet and Wordwall and Blooket activities (posted in threads) as well as Youtube videos. Learners will also be given time to watch the recorded Lesson and complete Teams assignments and quizzes.

PSE

Course choice discussion and activities.

Music

The focus for this week is completing our songs. Meeting and support are available on teams and the main thing is to "give it a go" and do your best.
