Dear Parents & Carers,

14 May 2021

I hope that you and your families are continuing to keep safe and well and that you are enjoying the opportunity to be out and about more and catch up with family and friends. Guidance for COVID Safety in schools remains unchanged. Families should continue to follow the FACTS Guidance. Wear face covering at drop off and collection and keep a 2m distance from other families. Let us know if anyone in your household tests positive and keep your children at home. We can provide work for children who have to be at home and are well enough to do schoolwork. To keep congestion around the school to a minimum only one parent/ carer should drop off and collect children from school.

Thank you to all the families who continue to adhere to the guidance.

Family access to ParentsPortal starts week beginning Monday 17<sup>th</sup> May 21. A letter was sent with the last Newsletter asking families to take the first steps (creating an account with myPKC) and this is again attached. Currently, ParentsPortal is only for families with Primary School Children, not nursery children. We will be in touch next week with information how to proceed from there.
