Dear Parents & Carers

28 May 2021

Please see below for information about our new website as well as arrangements for Class Teaches for next session.

School Website

Our new school website is now live and information and newsletters will be posted on the website going forward. The website has information about practical matters such as ParentPay, school lunches and uniform as well as links to PKC and Education Scotland and Care Commission. The new website will not have pages for individual classes although we will share information about Assembly themes and wider achievements of pupils via the website. Nursery staff and class teachers will continue to use SEESAW to share information about individuals and classes.

Class teachers for session 2021-22

We will have 8 class after the Summer Holidays. The number of pupils who have started school in the past three years mean that the configuration of classes has to be reviewed each session to take account of guidance on class sizes.

Parents of children in who will be in P1, P1/2 and P2/3 from August 21 will be sent an email today to confirm which class their child is in.
