

Update for Severe Weather Conditions

Every effort will be made to keep the school open for the children in normal snowy weather and it is anticipated that children who live locally and can walk to school should attend. It is recognised that children living out with the village may not be able to attend.

There may be, on occasion, severe weather conditions, which result in Luncarty staff being unable to travel to work. However, we have many primary teachers who live in the village and they will report to Luncarty school if they cannot travel to their own school. Therefore, the school will be open on most occasions. If weather conditions are too severe then closure will take place.

It is important we have the most up to date contact details including your mobile phone numbers. If you have changed your phone number then please ensure we have your new number if you have not yet given this to us.

Please read the procedures below: -

Partial opening

The school may be open for some of the children in the local area when local staff can get into school.

It is advisable to contact the school at 8.15am to receive an update on the situation.

Tel: 01738 474185

Full opening and conditions worsen over the day.

In circumstances where conditions worsen over the day, every effort will be made to alert parents or emergency contacts to the fact that the school will be closing. Children will **not** be released from school unless a designated adult collects them from the premises. Staff will remain in school with any children who have not been collected. The school will not be closed until the last child has been collected.

Closure information is currently displayed on the school website.
