

School Newsletter January 2025

Head Teacher Message

A very warm hello and welcome to our latest (and my first) Luncarty Newsletter! I am delighted to be here at Luncarty PS and look forward to working with all pupils, their families and the wider community over the coming days, weeks and months.

We have had a busy start to the term, with new contexts for learning being launched in each class. More detail about the learning focus areas in each class can be found on the Learning Trees which are posted on Learning Journals. If you have any difficulty accessing your child's Learning Journal profile, please do get in touch.

Since we returned in January, we have had a renewed focus on the school rules of Ready, Respectful and Safe. In classes, the children have been thinking about what 'Ready' looks like, sounds like and feels like. All classes worked creatively to exemplify 'Ready' for them.

So far this term, we have welcomed visitors from Active Schools, the contractor for the new playpark at Langlands, Perth Grammar School and Perth Gospel Hall. Please keep an eye on the Dates for the Diary for upcoming opportunities for the children including Class Trips in Term 4. Look out for some of our pupil's artwork on the signage at the new playpark!

If you have any questions, suggestions or concerns please do get in touch.

Kind Regards,
Emma Bendoris.
