

Luncarty School Newsletter March 2025

Head Teacher Message

Welcome to our latest newsletter!

Term 3 has just flown by, with new learning and a range of experiences and opportunities taking place. Learning Journals are regularly updated to share aspects of your child's learning so please do check regularly. If you have any difficulty accessing your child's Learning Journal profile, please get in touch.

Throughout this term, we have been revisiting our school values of trust, teamwork, respect, responsibility and kindness through assemblies and the house points focus. In class, all children have had the opportunity to create a logo/ image to represent each of our values and the Pupil Council are working together to select an image to visually represent each of our values. These will be displayed in our foyer by the front door for all to see! In Nursery, the children have been learning about our values too. They have created a super wall display to add to as the children demonstrate these values.

Our House Captains and Vice Captains have been working together to identify new mascots for each of our houses. Having narrowed down the options (gathered through an electronic form which came out to all families during the school closure in January) they will now conduct a vote which all pupils will take part in before the end of term. The theme for the mascots is Scottish Wildlife.

We are looking forward to the replacement of some of the flooring in school during the holidays. Please ensure your child has a pair of indoor shoes (gym shoes, slippers etc) to change into after playing outside. This will help to keep the school clean and maximise the life of our floor coverings. Please remember to label coats, jumpers, water bottles and lunch boxes so they can be reunited with their owners if misplaced.

If you have any questions, suggestions or concerns please do get in touch.

Have a wonderful Easter break.

Kind Regards,
Emma Bendoris.

Our improvement priorities for 2024/2025 are:

- Literacy: Raising Attainment in Writing
- Inclusion: Improving relationships, behaviour and engagement.
- Numeracy: To support transition and consistent assessment of Maths across Perth Grammar School primary cluster.

Staffing News

Mrs Masson remains absent, and Miss Taylor will continue to work with Primary 1 until the end of the academic session.
