

# Emotion pome

Thursday 15<sup>th</sup> January 2026

By Andrew

If discombobulated were a colour, it would be orange as an orange.

If discombobulated were a taste, it would be better as eggs on toast.

If discombobulated were a feeling it would be as if my brain was slowly stopping as my heart sunk.

If discombobulated were a sound it would be a repeated dot as loud as a siren.

If discombobulate were a smell it would smell like a white board pen.
