

## I am poem

I am a funny person who likes animals.

I wonder if my dog hates me.

I hear my dog running to the door to head butt it.

I see myself becoming famous.

I want to travel the world.

I am a funny person who likes animals.

I pretend to like math's.

I feel the clouds.

I touch the moon.

I worry if my friends don't even like me.

I cry when I think of my dead cat.

I am a funny person who likes animals.

I understand I can't touch the sky.

I say  $1+1=2$ .

I dream about the impossible.

I try with my times tables.

I hope I become rich.

I am a funny person who likes animals.
