

TREASURER REPORT 2024-2025

I have prepared a treasurer report to reflect the accounts from August 2023 to date:

We also secured a grant from the McClaggan trust in June 2024 in the amount of £29,628.00, this money was directly transferred to the school fund to fully purchase the playground equipment including installation.

We have a small source of money that comes in from the easy fundraising project.

All other funds need to be raised through school and community engagements.

Other than the playground structures, the Parent council have successfully funded many necessities for the school and pupils in the last year and a half. The list below gives you an insight as to how we use the funds we raise.

Halloween gifts / party bags / treats / medals

Children's craft supplies for Christmas crafts

Tea / coffees / mince pies at the show Christmas show

Leavers Hoodies P7

Small playground equipment (balls, skipping ropes, hoppers, games)

Author visits

Sports day refreshments and cakes

Gift voucher for school/teacher use for supplies used in school

Hall hire fees for the Christmas show and rehearsal time

Christmas party bags for the children
