Dear Parent/Carer,

### **Symptomatic Households**

I appreciate this is a worrying time for parents, carers and staff members, however would assure you that the school has all the relevant procedures in place to keep everyone as safe as possible in the current circumstances. We are following the protocols and advice of Scottish Government, Public Health Scotland, NHS Tayside and Perth & Kinross Council.

We require all families to continue to play their part in remaining vigilant and continuing to act responsibly to ensure the health and wellbeing of all families in our community, including our staff who also need to be able to feel safe in the workplace.

Based on current advice, your child(ren) should attend school as usual unless they, or someone in their household, develop symptoms in which case they, including siblings, **must not come to school and you should arrange for testing to take place before they return to school.** Further information is available at [NHS Inform](#) and on the enclosed leaflet. *Please keep us informed of your child's safe return to school date.*

The only exception to this is for people who work at the 2 Sisters factory in Coupar Angus. In this case, whole households have been asked to self-isolate as a precaution until 31 August.

It is only possible to share a pupil's personal information with their own parent or carer. Protocols and guidance are in place to ensure confidentiality and anonymity for those affected.

Further information for parents/carers is also available on Perth & Kinross Council's website: [www.pkc.gov.uk/coronavirus/schools](http://www.pkc.gov.uk/coronavirus/schools)

**End of day arrangements**

**P1/2 parents/carers** – Please socially distance in the front playground to collect the children at the end of the day.

**P3-7 parents/carers** – Please socially distance in the side playground to collect the children at the end of the day, or let the children know if you wish them to meet you in the car or to walk home. Thank you.

Yours sincerely

*Sarah Burke*
