## First Level Home Learning Grid

Choose some items in your house and put them in alphabetical order.	Go for a Sound Walk – see if you can spot your sound of the week when you are outside.	Read a book and talk about it with your friends and family. What was your favourite part?	Gather items from around the home e.g. pegs, pasta, lego bricks and estimate how many you have then count to check the amount.	Identify nouns, verbs and adjectives in your reading book. Extension: use a dictionary to find the word meanings.
Revise numbers to 100 using topmarks paint the squares. <a href="#">Paint the Squares - Interactive Number Charts</a>  OR  Play a game of rocket rounding on topmarks to practise rounding to 10 and 100.  <a href="#">Rocket Rounding</a>	Visit the First level Learning Space to take part in lots of different learning.  <a href="#">ThingLink</a>	<h1>First Level Home Learning Grid</h1>	Practise telling the time. Look at the different types of clocks and watches you have at home. Practise o'clock, half past, quarter past and quarter to on digital and analogue clocks. Do some extra practise by playing games on: Telling the Time – <a href="#">Telling the Time - Mathsframe</a>	Ask your family what their favourite food or favourite colour is and make a block graph to display the information.
Share some sweets or loose parts (eg. lego bricks) into halves, quarters, fifths and tenths. Identify and explain the link between the number of equal shares and the size of each share.	Rights Respecting School Watch BBC Newsround and choose a headline about a global issue that interests you. Do a little more research and make a poster to explain this global issue.		Health and Well Being Looking after our mental wellbeing is really important as well as staying physically fit. Try taking part in a BBC Moodbooster! <a href="#">Moodboosters</a>	Create a Menu Using colouring pencils and paper can you write and design a menu for a family dinner. This may be for the Burns Supper or another meal of your choice.
Share an act of kindness with a family member or friend. e.g. Give a compliment or offer to help someone	Share on Learning Journals some photographs of the day you have had with your family where you are learning something new.		Choose some music to listen to and make up a dance to go with it. Can you teach your routine to someone else?	Create a winter scene. You could draw, paint or create it using any materials you like. (Remember to check with an adult before you use anything.)
