

## Parent Council A.G.M

All parents and carers are invited to attend the above meeting in the school on Tuesday 11<sup>th</sup> September, starting at 7 p.m. The Parent Council undertakes both formal and fundraising activities to support the work of the school. If you would like to become involved, or just find out more, please come along.

### Recognising Wider Achievement

We know that our pupils at Bargarran have very active lives outside school. This often leads to success being achieved in a wide range of activities. We would like to hear about as many of the wider achievements of our pupils as possible. By wider achievements we mean e.g. swimming badges or medals, dancing or sports awards, learning to ride a bike or baking cakes or perhaps some involvement in their community. If you want to share an achievement with the rest of the school community, please complete and return the attached slip to the school office and this will be included in the next newsletter. Please only do so if you are happy for your child's first name and stage to be published in the school newsletter.

If you or your child would like to share your achievement but would rather not have it publicised in the school newsletter each class has a wider achievement folder where every child has their own individual page. These achievements are shared with classes as part of Health and Wellbeing lessons.

### Comments

As a school we are always keen to find out the views of our parents and carers. I have attached a return slip at the foot of this newsletter to provide any feedback that you may have. If you could please return the slip to the school office.
