Dear Parent/Carer

Parent Access to Class Dojo

All teachers in Bargarran Primary use Class Dojo to issue points for positive behaviour and, when necessary, to subtract points for unsuitable behaviour.

Class Dojo is an online rewards system that has the facility to allow parents to be kept informed of their child's behaviour in school.

If you would like information on how to download the app please contact the school office. **Parents and carers are only able to view their own child's information as the code provided is unique to each child.** At present we are only sharing behaviour information and will not share class photographs or update class information through Class Dojo.

Class Dojo provides the facility for parents to communicate with the class teacher directly. Please be aware that we **do not** intend to use this facility. All contact with your child's class teacher should continue to be through the existing channels; a note in the school diary, a brief conversation with staff at the school door at the end of the school day or by an appointment arranged through the school office. The school's management team and teaching staff will still be available and happy to meet with parents who have a concern regarding any aspect of your child's education.

I assure you, if we have any serious concerns regarding your child's behaviour at school, we would contact you immediately to arrange a meeting so that we could work together to resolve the concern.

I hope that the Class Dojo provides helpful information on your child's time in school.

Yours sincerely

Mr A Lyle
Head Teacher

Director of Children's Services: Steven Quinn
