

Dear Parent/Carer,

Our Active Schools clubs are starting again next week. Please see the information letter below from Jamie Forrest (Active Schools Coordinator) as to how to book your child into a club.

Should you require any more information, please don't hesitate to contact Jamie on the number below or myself at school.

Kind Regards,

Alison Warnock (Depute Head Teacher)

Dear Parent/ Guardian,

Bushes Primary School's new extracurricular club programme is now available via our online booking system.

All clubs can be found via the Class4Kids website by typing the following link into your search or address bar, <https://rl-bushes.class4kids.co.uk>

On this page you will be directed to all available clubs and which age group these clubs are available to. Using this online system will cut down on the number of forms you will have to complete and return to the school. Upon using the system for the first time you will be asked to create an account. This account will allow you to register your child and book them on to each club they wish to attend. If you decide to book your child on to a class you will receive an email confirmation of the secured space at the club. Due to the popularity of the clubs we advise you book on as soon as possible to ensure your child does not miss out. If a club is fully booked, your child will be placed on a waiting list and you will be contacted via email if and when a space becomes available. If you already have an online log in from previous clubs run in the school last year, then please log in using your email address and chosen password.

To use this service all accounts require a valid working email address. When using this booking system you will receive emails about clubs that you have booked your child to attend. You will also receive an update reminder email 4 times per year to ensure that you are aware of the clubs available to your child/children.

Should you have any issues and require any technical support to allow you to use our system please see the help guide that can be found on the schools website. If there is no visible solution to your problem please contact myself or the school office.

Yours in Sport,

Jamie Forrest
