

Kilbarchan Primary School
Playground Organisation Update
11 September 2020

Dear Parents and Carers,

As you will be aware, we had to place certain restrictions in response to COVID guidance, on the way in which we organise our playground. I would like to inform you of a change that can now take place week commencing Monday 14 September.

When children are inside the building, they will continue to work within their class bubble. When they are outside in the playground, they will now be able to play within their year group bubble should they wish. This will enable children in composite classes for example, to play with peers in their year group.

In addition to this, each class have been provided with a box of playground equipment that can be used at interval and lunch. This has been well received by pupils.

We will keep this under review and will inform parents/carers should any subsequent changes be necessary.

Yours faithfully,

Fiona MacKenzie
Head Teacher
Kilbarchan Primary School
