2015

Over the next couple of weeks, your child will be coming home with their Bug Club login details. This will allow them to access online reading books allocated to them by their teacher. Further information will be given at the HGIML sessions.

Dear Parents/ Carers,

How Good Is My Learning?(HGIML) - school sessions

The HGIML sessions will take place on Tuesday 15 and Wednesday 16 September, between 3.15pm and 5.15pm. You will be given an appointment time next week. These sessions allow you to visit your child's classroom, have a look at their work and also speak to the teacher about your child's progress. It is important that your child attends the session so that targets can be set between yourself, the teacher and the pupil. If you receive an appointment time that is not suitable, please contact the school as soon as you can and we will try our best to make alternative arrangements.

How Good Is My Learning?(HGIML) - nursery sessions

We will be introducing the HGIML sessions for nursery children and their parents. These will take place on Wednesday 16 - Friday 18 September. Your child's key worker will speak to you about selecting a suitable time slot for you to come into the nursery. Please look on the nursery noticeboard for further information.

Annual Data Forms

We are still waiting for a few annual data forms to be returned to the school. It is very important that we have the most up to date information for your child. The annual data also includes a consent form which gives permission for your child to go on school trips etc. Please return it to the school as soon as possible.

Uniform Shop

Thank you so much to Ingrid McMurdo, Alison Wallace, Lee Stewart and Pauline the cleaner for washing, drying and sorting out our vast collection of lost property. We will be selling these items at the HGIML sessions and all money raised will be split between school fund and also a charity chosen by the children.

Rag Bag

If you have any old clothes, bags, belts or paired shoes and would like to dispose of them, please put them in the Rag Bag your child came home with on Wednesday and put them into the green Rag Bag bin in the main playground. The items will be recycled and the school will be rewarded with cash which will help towards developing our playground.

Celebrating Success Assembly

We are planning a special **Celebrating Success Assembly** for next week. If your child has achieved something outwith school, for example, a dancing medal, scored a goal in a football game, can now swim without armbands, did a good deed for an elderly person, then please write the achievement on the attached slip and send it into school with your child (older children should be writing this on their own). Your child will then get to walk down the red carpet at assembly and share their achievement with their peers. Pupils should bring in their medals, trophies etc from Wednesday onwards.

Primary 7 Interviews

Primary 7 pupils have been put through their paces this week as they were interviewed by Mr Carlton for roles of responsibility throughout the school. Mr Carlton and the staff are still deliberating over who should get which job. The pupils all did extremely well and should be very proud on how they

performed during the interviews. The successful candidates will be announced at the Celebrating Success Assembly next week.

Primary 1

Good luck to P1 who will be starting full time on Monday. P1 parents, please be prepared for very tired children next week!

Clubs

Task Force starts back on Tuesday after school. Your child should have returned their form by now. The P3-7 Drama Club also returns on Monday afternoon. The Active Schools Clubs start up next week. Please complete and return the consent form if you wish your child to be considered for a place at one these clubs. These were sent out earlier in the week.

Primary 3 Assembly

Parents and family members of P3 pupils are invited into the school on Friday 18 September at 9.30am to watch their child perform their class assembly. It's sure to be a fantastic experience - no pressure Mrs Wengel!

Thank you
