**29 January  
2016**

**Important Dates**

**HGIML -  
2.1.16 + 3.1.16**

**Dear Parents/ Carers,**

**Road Safety**

We remain very concerned about the parking situation on Aspen Place. There have now been a number of very near accidents and drivers still insist on parking illegally and dangerously outside the school. We have contacted the local authority requesting advice and they have advised the school that a risk assessment will be carried out to identify risks and possible solutions to the problem. We believe that a crossing patrol (lollipop person) would help the situation, however, the biggest problem is dangerous parking. Please avoid parking on the zig zag lines, white lines and over the speed bump.

**Primary 7 Burns Supper**

Our Primary 7 pupils did everyone proud at Thursday night's Burns Supper. It was a fantastic occasion where they showcased their skills and talents of singing, dancing, poetry recital, acting and comedy. Thank you to all of the parents who attended and a massive thank you to all of the members of staff who helped make the evening a success - Mrs Murray for making the sashes, Jane for preparing the food, the staff for serving the food, Mrs Cumming and the support staff for setting up the hall and doing the stage scenery and of course Miss Cameron and Miss Oates for their hard work in preparing the children and making the evening run like clockwork. A fantastic achievement for everyone; well done!

**How Good is My Learning?**

You will now have been allocated your appointment time for the HGIML sessions on Tuesday and Wednesday afternoons. If your time is not suitable please contact the school as soon as possible to make an alternative appointment. These sessions are very important as it gives you the chance to look at your child's work, discuss their progress and set targets for the term ahead.

**No Homework Club**

There will be no Homework Club on Monday 1 February. It will return on Monday 8 February.

Thank you
