Summary Improvement Plan for 2016-17

Information for Parents

This leaflet provides a summary of our Improvement Plan

# Vision

- Renfrewshire's Council Plan and Community Plan sets out a vision for Renfrewshire, identifying the challenges and opportunities and provides a framework for improving outcomes for the citizens of Renfrewshire.
- From this, Children's Services has developed an action plan setting out how it intends to achieve the outcomes identified in the Council and Community Plan.
- As part of Children's Services, Auchenlodment Primary School and Nursery Class has developed this establishment improvement plan which provides a framework for how we intend to continue our work towards achieving better outcomes for those associated with our school community.
- In both the national and local context, tackling poverty, getting it right for every child, closing the poverty attainment gap and providing our learners for life beyond school are the focus for education and responding to these priorities will be a central aspect for **Auchenlodment**.
- The priorities within this plan set out how we will improve our school and nursery and work towards achieving the vision for our school and for Renfrewshire.
