23rd August 2019

Dear Parent/Carer,

As many of you know, at the end of last session we received a visit from UNICEF who were assessing the school for the Rights Respecting Schools Gold Award. We are delighted to inform you that the school was successful in gaining the award and that we can now proudly call ourselves a Gold Rights Respecting School! We are one of only two schools in Renfrewshire to have gained this award. We are sure you will agree that this is an excellent achievement.

We would like take this opportunity to thank all pupils, parents, staff and partners for their support over the past few years as we have worked toward this goal. Without that support, none of this would have been possible.

We have received a very complimentary report from UNICEF which praised the warm welcoming ethos of the school. Our assessors said that all pupils in the school were polite, yet confident and spoke with enthusiasm about their Rights based learning. Congratulations to all our pupils for all the effort they put in to their Rights Respecting Schools work!

Thank you again for your continued support.

Yours sincerely,
