Lunchtime News

Since the October break, we are no longer allowed to eat our lunch outside. You can eat your lunch in the gathering room when you're called. You may get sent down to the dinner hall if there are spaces. You now cannot go outside without a jacket. We suggest that you bring a hat, scarf and gloves because it's freezing outside.

There is a new Monitoring Rota for this term.

Residential Trip Update

P7s have now received a Behaviour Contract for the residential trip in May 2020. The pupils and their parents are required to sign the contract.

Mr Collins has left to fill in for a head teacher at a St Fillan's Primary School in Houston. We wish him good luck on his new post! The school has a new infant deputy head teacher, Mrs McLaren. We look forward to getting to know her.
