Dear Parent/Carer

I write to you to request your assistance in confirming numbers for the occupancy of the new Dargavel Primary School.

You may already be aware that the new catchment area for Bishopton and Dargavel primary schools were agreed by councillors at the Education and Children's Services Policy Board on 22 August 2019 following consultation with parents, pupils and the wider school community. I can advise you that your home address falls within the catchment area for Dargavel Primary School, which is expected to be ready to open for August 2021 intakes.

It was agreed through the consultation that pupil's currently attending Bishopton Primary School would have the right to continue to do so, along with any other siblings due to attend in the future.

Can you please complete the attached proforma in relation to placement for your child(ren) to establish if you require a place(s) to be reserved at Dargavel Primary School. Please then return this form to the school.

We are also trying to ascertain interest for membership of a Dargavel Primary School parent council and you can also intimate your expression of interest below.

I can confirm that our communications team are working on updating our web pages with information in relation to the new school and we will keep you updated regularly with information.

Yours faithfully

Wendy McNaught
