To All Pupils and Staff at Bishopton Primary School,

On behalf of the community in Bishopton can I thank you for your amazing gifts. 38 "double bags" of goodies was such a generous donation from you all.

There are sadly an increasing number of people within our village that are struggling just now, both financially and mentally. To know that others are thinking of them makes such a difference and brings happiness and joy at any time but particularly at Christmas.

I hope that you all have a joyful Christmas.

Best Wishes
