4th June 2021

Dear parent or carer,

As Track and Trace is still active within Bishopton Primary School and keeping in line with the updated guidance from Renfrewshire Council, I am unable to meet with the children next week for the after-school Transition Sessions. I will be in touch with transition plans for the final two weeks of term.

The class teacher interviews take place next week, following these, I will be able to confirm the class structure and teachers for each class. You will be provided with this information in due course. We will arrange for there to be some sort of transition opportunity for your child to meet their new teacher; it is likely that this will be done virtually and during the school day.

There is a Dargavel Parent Forum meeting on Wednesday 16th June, 7pm – 8.15pm. This meeting is open to all parents and it will replace the Parent Information session that was cancelled this week. It will also replace the P1-2 Parent information session which was to take place next Wednesday. Joining instructions for the Parent Forum meeting will be provided nearer the time.

In the meantime, please get in touch if you have any questions.

Kind regards,

Gerry Carlton
Head Teacher
