Dear Parents/Carers,

Following feedback from the parental questionnaires, we are planning to streamline our information channels next session so that parents and carers can access school communications and information on their child's learning on one platform. Therefore, I am delighted to share with you that next school session we will be using Seesaw (<http://seesaw.me>).

Seesaw will allow us to send information to parents/carers at whole school, class or individual pupil level. Seesaw also provides a secure online journal where pupils can document and reflect on what they are learning in class. Your child will be able to add the things they work on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal and their teacher can share them privately with you and other family members to view and comment on throughout the school year.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of pupils, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to document and share their learning next session. Please sign below and return this permission slip by **Friday 17th June** so that your child can use Seesaw.

Once pupils are signed up more information will be provided to allow parents/carers to sign up to receive communications and access their child's learning journal.

Yours faithfully

Mrs McNaught
Head Teacher
