

In literacy and languages we will be learning about:

- *Listening and Talking – sharing my findings with others in my own words
- *Grammar – semi-colon, hyphens, dashes, commas to imbed, abbreviations and consistent use of tense
- *Talk for Writing – non-fiction and fiction focus, note taking, organising notes
- *Reading – examining non-fiction texts, fact and opinion, reliable sources, extracting information.

In numeracy and mathematics we will be learning about:

- *Place Value – both whole numbers and decimals
- *Estimation and Rounding
- *Measurement
- *Adding and Subtracting whole numbers and decimals
- *Angles
- *Mathematics in the Past, Present and Future – a mathematician study

In health and wellbeing we will be learning about:

Growth Mindset
Effective Target Setting
The Rights of the Child
Road Safety

Our PE Days

P7J: Monday and Tuesday
P7M: Tuesday and Thursday
P7S: Tuesday and Friday

Primary 7

Term 1 2023-2024

We will also be learning about:

The Learning Context suggested by pupils was 'Into The Deep' and we will use this as a basis to cover concepts from a variety of curricular areas such as social studies, technologies, science and expressive arts.

Other useful information:

Various transition events will happen across the year and staff from PMHS will visit the school. You can contact us via Seesaw or the school office. Let's work together to support your child's learning throughout Primary 7.

How you can help at home:

Encourage your child to take responsibility for completing homework.
Support them with their independent organisational skills.
Listen to their reading and question them on their book.
