Dear Parent & Carer

I am looking forward to meeting your child again in Gleniffer and welcoming them to their visit at the end of this week. Please read the following important Health and Safety information.

- Pupils should not attend if they feel unwell or have any symptoms of COVID-19
- On arrival pupils should wait in the front playground and keep 2 meters apart from other pupils
- On entry to the building pupils and staff will be required to sanitise their hands - they can bring their own or use the stock provided by the school
- There will also be a sanitising station outside each classroom being used.
- Inside the building pupils must keep 2 meters apart from others and should avoid touching surfaces
- Coughs and sneezes must be caught in a tissue and disposed of immediately
- Pupils should avoid touching their face with their hands.

I trust the measures being put in place are reassuring to you and please note that following them is mandatory.

Learning in school will look and feel different for everyone for some time and health and safety will be our priority. I am confident your child will get the best possible learning experience at Gleniffer with an excellent team of teachers and staff to support them.

Warm regards,

Aileen Sangster
Depute Head Teacher
