## Parents In Partnership 2019/20

Dear Parent/Carer

Gryffe High School are offering parents and carers an exciting opportunity to learn more about your child's new school and be involved in the lessons they will be taught, by the teachers they will be taught by.

We know that the move from primary school to high school, while exciting, can sometimes lead to children and parents/carers feeling a bit nervous and anxious. We already do a lot of work with your children about their transition but we think it would be a good idea if we included parents/carers in this work as it's a transition for you too.

Building on the success of this initiative from the last three years, we have decided to offer you the choice of groups to attend by running the initiative twice a week. We think that doing this will help to give you more of an idea about what happens in lessons, what your children are being taught, the opportunity to meet some of your children's new teachers, get to know the school building and meet other parents/carers from other cluster primary schools who your child might become friends with.

Above all else, we want every pupil in Gryffe to achieve their potential and this can only be achieved if we have a strong and positive partnership with parents/carers.

Parents in Partnership is a 6 week programme running each Monday or Thursday in Gryffe High School from the end of August. We know that some people have work or caring commitments which we can take into account if you speak to us in advance.

Group A: **Monday** 8.50am – 10.45am (Starting Monday 26<sup>th</sup> August)

Group B: **Thursday** 8.50am- 10.45am (Starting Thursday 29<sup>th</sup> August)

Please only select one group to attend. To confirm your place, please email [chris.anderson@renfrewshire.gov.uk](mailto:chris.anderson@renfrewshire.gov.uk) with the choice of group you would like to join.

There is a sample timetable for your consideration on the reverse side of this letter.

Kind regards,

Chris Anderson  
Principal Teacher of Attainment (BGE)
