MANAGE CHILDREN

Here you can check you own details and change your display name

Select here to change how you receive notifications of changes to your child's journal

Because we are using Seesaw as a whole school, you can expect regular daily updates. If you are getting too many notifications, turn them all off and check the app in your own time.

If you have any further concerns, get in contact with us:

bushesenquiries@renfrewshire.gov.uk

Or through your child's class teacher on Seesaw

You are all doing a great job!
