Seesaw Class App

Good morning everyone,

The ladies in the nursery have asked you to upload pictures to Seesaw. This is really exciting and we can't wait to see what you get up to.

To allow the children to share their pictures, photos and learning they need to log in using a slightly different app. This app is called **Seesaw Class**.

To log in, you need a 12 digit code that is unique to your child.

In order to give these out safely, please respond to the message in your Seesaw Family app with your child's name. We will get your code to you as quickly as possible.

Thank you for your patience.,

The Bushes ELCC and Primary Team.
