

This year transition from Nursery into Primary 1 will look a little different at Bushes Primary School. However, we have created a number of resources to help you and your child find out a little more about Primary 1 and our school. You will see a video below with pictures of the school to look at together. We will be updating Seesaw frequently with videos, information and resources to support you and your child.

Please remember that we are aware that the children will be starting Primary 1 following an unprecedented time. Miss Boyle, Miss Roseman and I will be working hard to ensure that we support you and your child with making the transition from Nursery to Primary 1 as smooth and successful as possible.

I look forward to welcoming you and your child to Bushes Primary School.

D McConnell  
Depute Head Teacher
