Monday 17th August 2020

Dear Parent/Carer,

You will be aware that in the guidance for our return to school I advised that children should be sent to school with a full water bottle along with a drink for lunch as the water cooler would not be able to be used.

Following health and safety checks I have been informed that it is now safe for us to resume the use of the water cooler within the school. The water cooler will be available for use but I would ask for your support by continuing to send your child to school with a full water bottle and a drink for lunch. This will help us to keep the number of children using the water cooler and therefore moving around the school building, to a minimum.

Yours sincerely

A handwritten signature in blue ink that reads "Craig McCrorie". The signature is written in a cursive style.
