

Bushes Parent Council Meeting 3.11.20

Minutes of Meeting

Agenda

- Wearing masks around the school
- Christmas fundraisers
- Children in need
- Christmas Jumper day 11.12.20
- Children's appeal

Halloween Raffle

Halloween raffle was a success making £582.

Halloween window decorations – Sam P5 was the winner and a selection of photos have been sent to the Paisley Express to share the success. Message will be sent out on Seesaw when this is due to go in so that parents can buy it.

Masks protocol

P1 teachers do not have to wear one unless moving around school. This is due to them being separate and having their own bubble, own playground, separate entrance etc.

P2-7, if teachers can maintain 2 metre distance can do so without a mask, unless its their preference to keep on wearing. When moving around corridors and around the school they need to wear them.

Poppies

We interested in buying poppies. Craig will into this as not received any yet and need to decide how money will be collected.

Children's appeal & Children in Need

Need to think carefully which one we are going to back due to time of year and with lots of people not working we don't want to continually be asking parents for money. It was agreed that we can't contribute to both so agreed we would consider the local charity Renfrewshire Helping those in need and unfortunately, we will leave Children in Need for this year.

Suggestion to make donation to the Helping those in need from the Halloween raffle profits. Agree that we will buy selection boxes as donation.

Christmas Raffle

Laura been around a lot of retailers in Braehead to see if can donate any prizes however none of them willing to due to downturn in business due to Covid so we may have to think of different ways for prizes. Some of us already have some prizes to donate but we could be doing with some help from parents with donations if we cant get anything from retailers/hospitality this year.

Nicola will write up a letter and Craig willing to put it on Seesaw to see if parents can hand any donations to us for the raffle.

Christmas Jumper Day

Last year kids wore their jumper and donated something to foodbank. They looking to do something similar this year but haven't got the dates confirmed yet but this will be communicated on Seesaw.

Christmas activities will be happening for the kids, although in a different format. Details of this to follow.

Next Parent council meeting
Tuesday 1st December
