

## Bushes Parent Council Minutes of Meeting

27.4.21

### Agenda

- Leavers Hoodies
- School Photos
- Playground repairs and equipment

Hoodies – not arrived yet but they have been ordered. There will be some sort of celebration but what it looks like isn't clear yet due to covid restrictions.

School Photos – not doing this year. Hopefully, next session.

Newsletter – not been putting out as things changing all the time so aim is to communicate individual events one at a time.

Report cards – expected in June, all parents will also get a call from teacher with a pastoral update

### Playground

- Immediate patch repairs been completed coming out of the school budget.
- Katherine has contacted Cruden Homes/Sanctuary and after a few attempts they said they would get back to us re community project. Hopefully have an update on this soon.
- Balfour Beaty/Amey is another option but these could be contacted after we hear back from Sanctuary.
- Fundraising ideas for playground discussed that we could get the kids involved in either during school hours or with family at weekends eg sponsored walks, sports day sponsors. Ideas around focusing on steps to complete a Munro to help raise funds but is also fun for kids while promoting health and wellbeing.

### Other

- With the end of term near and losing some of the current members how do we get more people to join the council from the earlier school years. Ideas discussed and something to think about how we can promote this going into next term.
