

This year transition from Nursery into Primary 1 will look a little different at Bushes Primary School. However, we have created a number of resources to help you and your child find out a little more about Primary 1 and our school. We will be updating Seesaw frequently with videos, information and resources to support you and your child.

Mr Bannerman, Miss Boyle, Miss Roseman and I will be working hard to ensure that we support you and your child with making the transition from Nursery to Primary 1 as smooth and successful as possible.

I look forward to welcoming you and your child to Bushes Primary School.
