

Dear Parent/Carer

Parentpay in Schools

All Renfrewshire schools now have a more convenient way to pay for school meals, trips, school events and activities and much more online, using a secure service called ParentPay.

This allows all schools to be cashless, we no longer accept cash and cheque payments, making the school a cash-free environment. Parents who need to continue making payments by cash may do so using the PayPoint network at local convenience stores.

Making secure payments online using your credit or debit card

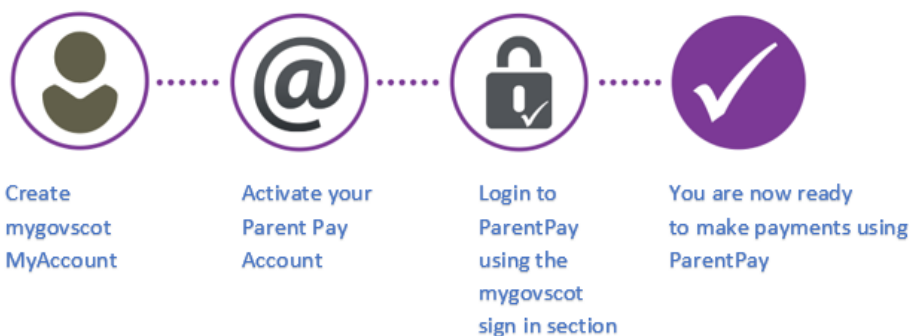

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, seven days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password. You will be prompted to change these and to keep them safe and secure. If you have more than one child at our school, or children at other ParentPay schools, you can create a single account login for all your children.

School Meal Balances

All Renfrewshire P1 to P5 children receive Free School Meals. Only P6 and P7 pupils need to pay for school meals and should have a credit balance on their account.

Making Payments

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date. No card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.

Using PayPoint

PayPoint payments are recorded by ParentPay and can be seen by logging into your ParentPay account and viewing your payment history online. More information about the nearest PayPoint stores to school can be found at <https://consumer.paypoint.com/>

Payment information letters will carry a unique barcode which will allow you to make cash payments at your local PayPoint store.
