Meet the Teacher – Consultation

17<sup>th</sup> August 2022

Dear parent/ carer,

We are currently planning a Meet the Teacher event which will take place on Tuesday 6<sup>th</sup> September. Due to Covid restrictions last session, the Meet the Teacher event took place online. However, this year we are able to have parents/ carers into the school building. Covid has changed the way many industries work and communicate and we understand that some parents/ carers may actually prefer to continue with an online format.

At this point, we are looking for an approximate number of how many parents/ carers would prefer a face-to-face Meet the Teacher session and how many would prefer an online session. The online session would be pre-recorded so would be accessible at any time. The face-to-face session would be after school, between the hours of 3.15pm – 5pm.

Can you please click on the link below to access a quick survey which will allow you to select your preferred choice of format. The results will then allow staff to plan the sessions accordingly. We will then be in touch to provide more specific details about the event.
