World of Work (WOW) Week

Dear Parent/Carer,

At Dargavel Primary we have high aspirations for all our pupils and are hosting a World of Work week in order to promote and develop children's understanding of the world of work. Providing meaningful and relevant learning experiences at every stage ensures that our pupils are fully equipped with the skills necessary for life, learning and the world of work.

We want to inspire our learners to become anything from an astronaut to a zoologist. In order to provide our pupils with a real insight into the world of work and how they can achieve their plans for the future, we are hosting a World of Work (WOW) week before the October break.

We want to provide our pupils with the opportunity to talk to people from a wide array of jobs and professions so that they can find out more about future career prospects. If you or any friends or relatives would be willing to come along to share information about your job during the week beginning Monday 10th October to Friday 14th October 2022, it would be very much appreciated. The talk would involve a description of your role, your career path, what you love about your job, skills and personal qualities you require in your role and the challenges. If you are willing to talk to several classes, for 25 mins per class, across a morning or afternoon, it allows more pupils to benefit. Visitors can bring uniform, equipment, PowerPoint or can simply talk. On the Friday afternoon the P7 pupils will participate in "Work Cluedo" where they have the opportunity to interview and question our guests in order to guess their occupation. Casual clothes required so no clues are given away.

If you are able to support us in any way, please return the slip overleaf or complete the form on the link:
