3rd November 2022

Dear Parent/Carer,

Pupil Progress Meetings

Teachers are looking forward to meeting you and your child on Wednesday 9th or Thursday 10th November. 95% of parents/ carers have booked an appointment, if you have still to book, please speak to Miss Gordon or Mrs Shearer in the school office who will be able to assist you.

The Pupil Progress Meetings are slightly different to a traditional Parents' Night; the meetings will take place in the learning spaces in a more informal setting. The teacher, parent/ carer and pupil will discuss what went well in term 1 and set targets for term 2. Each family has been allocated 10 minutes, please try to stick to this time so that other families are not having to wait. It would be beneficial for families to arrive 10 minutes before their allocated time, this will give you an opportunity to look through your child's work and have a walk round the learning environment.

The 'Travelling Books' book fair will be set up in the gym hall for families to browse and to purchase books. As we are a cashless school, all purchases must be made by credit card. Staff will be on hand to support with this. You will require internet access so please connect to the public wi-fi for easy access. Classes will get the opportunity to visit the book fair throughout the school day, however, you can also access the online catalogue via this link <https://bookfairs.scholastic.co.uk/travelling-books/the-books/ready-to-read>

Staff will also have a lost property station set up in the gym hall for parents/ carers to claim items.

If you have any questions related to the meetings, please contact the school office on 0300 300 1481 or contact your child's teacher on Seesaw.

Yours sincerely

Gerry Carlton
