Glasgow School of Art

Dargavel Primary are working with the Glasgow School of Art to support with the internal artwork and decor for the new modular classrooms. The Pupil Council are playing a crucial role in this process by being part of the selection process for the preferred artist who will be commissioned to do the work. Today, the Pupil Council travelled to the Glasgow School of Art where three artists presented designs to the children, after which the pupils asked questions and then voted for their preferred choice. This is a very exciting and unique opportunity for the school and particularly for the members of our Pupil Council. We will keep you updated on the progress of the art work. Follow us on Twitter for regular updates and photographs.
