Newsletter – 6th September 2024

Hi everyone,

It has been a great couple of weeks as the children and staff have now settled into their new routines and are exploring lots of new learning in class.

Please take a few minutes to read over the newsletter to stay informed of what's going on at Dargavel. If you have any queries, please contact the school office on 0300 300 1481 or email dargavelenquiries@renfrewshire.gov.uk and a member of staff will get back to you.

Have a lovely weekend.

Meet the Teacher

Yesterday we held our Meet the Teacher session, and we were delighted with the great turn out. The purpose of the evening was to meet the class teacher, hear about the class routines and enjoy being in your child's learning environment. The presentation was to give key information related to your child's class.

The feedback was extremely positive, and we loved meeting our families. We are looking forward to Parents' Evening in November which focuses on your child's progress and targets and gives parents the opportunity to see examples of work. In the meantime, you will receive regular updates on Seesaw to see evidence of your child's learning and the fun experiences they are having.

Seesaw

Seesaw is our main form of communication and all pupils and families should now be connected. If you have any issues, please contact the school so we can help resolve them. We also have some guidance on our school website which may be of assistance to you.

School Lunches

It is very important to check the lunch menu with your child daily to avoid children being upset when they do not like any of the lunch options. The new menu is much more varied than last session, but sometimes the variety can be too much for some children. Please click on the link below to access the new menu:

Dargavel's Relationships & Expectations Film

Thank you to those who were able to stay behind to watch the launch of the Relationships and Expectations film. The film has now been uploaded to the school website and can be accessed by clicking on the following link. Thank you to Mrs Ferry and the pupils and staff who helped make the film such a great and effective piece of work. If you have any questions about the policy, please contact the school office and a member of SLT will be in touch.
