Google Classroom

Creating a Class Quick Guide

Step 2: Click on "Google Classroom" – if you cannot find this, you can search for this in the "App Library":

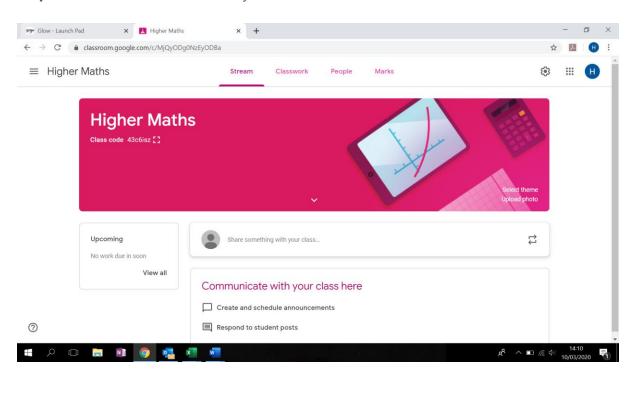

Step 1: Click on "Glow - Launch Pad":

Step 5: Your class will now be ready to use:

Step 5: To add students to your classroom, share the "Classcode" with them – you will find this on your main class page:

Step 5: Pupils can log into glow, and access Google Classroom. From here they can click the "Plus" button at the top right and "join your class" by entering the code:

Step 5: Enter the "Class code" and click "Join". Students will no be members of your classroom.
