Class OneNote Breakdown

Collaboration Space
A space where everyone in your class can share, organize, and collaborate.

Content Library
A read-only space where teachers can share handouts with students.

Teacher Only Space
The *Teacher-Only* space is an area to where materials can be stored privately from the students in the class whilst being prepared or until needed. Only teachers can see the materials in this unlimited section.

Student Notebooks
A private space shared between the teacher and each individual student. Teachers can access every student notebook, while students can only see their own.
