

Quizizz

What is it?

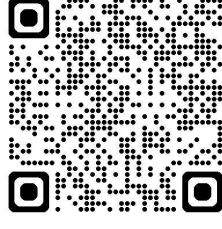

Quizizz is an interactive, game-based learning platform that allows teachers to **create quizzes, polls, and surveys** to engage students in real-time or as homework.

Quizizz supports a variety of question formats and can be customized to suit different learning styles, objectives and learning environments.

Benefits

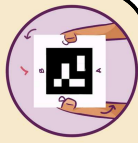

- **Engagement:** Gamifies learning, making it fun and motivating.
- **Instant Feedback:** Provides instant feedback to students.
- **Flexibility:** Can be used for formative assessments, homework, or for revision.
- **Data-Driven Insights:** Teachers can track student progress with detailed reports.

Lesson Ideas

1

Paper mode allows teachers to print quizzes for students to complete on paper, providing a non-digital alternative.

3

In music, include **short clips of songs or instruments** and ask students to identify the instrument, rhythm, or style.

2

Assign quizzes as **homework** to introduce new topics, then review in class for deeper understanding.

4

Fill-in-the-blank questions in modern languages help to practice grammar, vocabulary, sentence structure, and listening skills.

How to use it

1. **Create Quizzes:** Design custom quizzes with different question types and media.
2. **Assign as Live Game or Homework:** Choose between live class games or homework assignments.
3. **Monitor Progress:** Track student performance and provide instant feedback.
4. **Analyze Results:** Review detailed reports to identify strengths and areas for improvement.
